

Small screen navigation overview

Responsive guardian.co.uk | Version 0.5 | 3 August 2012

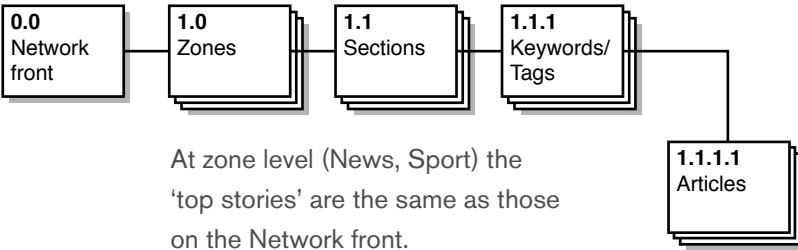

nb
The navigation in the 'sections' pane will be consistent across the site.

nb
On Network front, the 'top stories' pane will contain duplication, but this is necessary for continuity of user experience.

Heirarchy

At section (UK News, Football) and Keyword/Tag (Crime, Celtic) level the 'top stories' pane will contain the top stories from the zone (News, sport in the two examples).

At zone level (News, Sport) the 'top stories' are the same as those on the Network front.

At article level the 'top stories' pane will contain the top stories from the zone (News, Sport in the two examples).
